A COMPREHENSIVE GUIDE TO ONLINE ADVERTISING WITH BAZAAR

We live in a world ruled by digital media where online content has become essential to our lives. While many may choose to play this game by the numbers, we choose to bring you quality content. Quality over quantity isn't just something we preach, it's an ethos we live by.

OVERVIEW

Our website, www.bazaar.town, is a cutting-edge site, and the very first in the Middle East with the distinct .town URL. This historic move puts us up front and center as the ultimate guide to our town, Kuwait.

Each category – **People, Dining, The Buzz, Lifestyle, Kuwait, Directory, Fashion, Travel, Books, Health, Calendar, Classifieds** – has a dedicated homepage where you can find full listings, previews, reviews and features.

ONLINE STATS - WEBSITE VISITORS

Generating original content, and pushing the content you provide us with to a network of engaged fans, followers and readers is what we do best. Combining website exclusive content with our print content greatly expands our magazine's readership. While we print and distribute 10,000 copies of *bazaar* a month, our website gets over 3,000 visitors per day which is over 90,000 visitors a month, so it's well suited to cater to all of your digital advertising needs.

ONLINE STATS - WEBSITE READERS

We've often wondered where our readers hail from. By tracking their locations on analytics, we've found that 75% are based in Kuwait while the rest are regionally and internationally based!

Gender plays an important role in what our content reflects and who visits the *bazaar.town* website. Google Analytics has shown us that 53% of our readers are male and the remaining 47% are female!

As for the language, we have found that 85% of our visitors are English speakers. Due to the influx of private schools in the region and the fact that most people opt for studying abroad on a graduate level, there's a significant increase in English speakers and thinkers.

RESPONSIVE DESIGN

Since our website is created with responsive design in mind, our readers can view our website through any device!

SOCIAL MEDIA- FACEBOOK

Organic growth is what we have to offer as our users interact with us on a daily basis. Be it through our Facebook page, Twitter or Instagram – we get mentions, retweets and messages, shares and clicks on a daily basis.

With content curated from around the web, our own content and the content provided to us for campaigns and such by our clients, plus entirely original content – our social media channels are extremely active. Because we believe in quality over quantity.

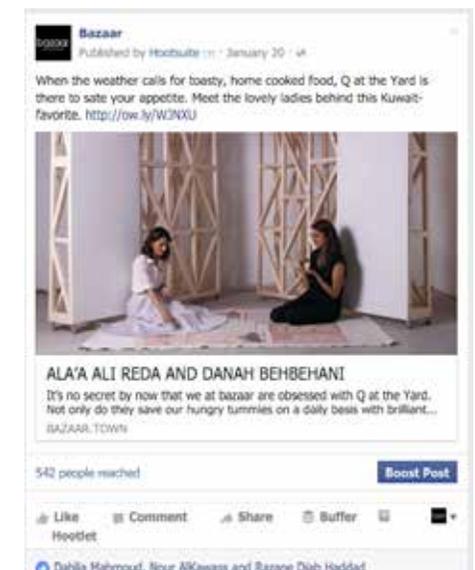

Our Facebook page has over 11,000 followers with our male to female ratio being at almost 50% each. The majority of our Facebook followers are based in Kuwait while the others are based all over the world.
