

THE 2020 DINING & ENTERTAINMENT GUIDE

RATES

Welcome to the 2020 dining and entertainment guide that comes out in January 2020. This is the one and only all encompassing guide to Kuwait, used by people all year long. This year promises to be our best guide ever with loads of new restaurants, cafes, delivery joints, restaurant reviews and interviews with chefs, and people in the food business, and so much more! We've also got a huge expanded entertainment section that covers all the things to do and places to go in our beloved K-town as we like to call it.
